Dear Mr. Webster,

JARVIS – SUSPENSION OF TRADING AND APPOINTMENT OF ADMINISTRATORS

I write in relation to the above matter. I understand that you have now taken over the Stoneblower contract for Network Rail that was previously being carried out by Jarvis/Fastline. I also understand that the following machines are being used by you;

Stoneblower	80205 Scotland
Stoneblower	80217 Newcastle
Stoneblower	80209 Doncaster
Stoneblower	80201 Nottingham

As this obviously constitutes a TUPE transfer of the Jarvis/Fastline staff to your company we would like to arrange a meeting as soon as possible to discuss the details.

I look forward hearing from you.

Yours sincerely

Bob Crow
General Secretary
