

Legal services for retired members

Every year, we secure millions of pounds in compensation for RMT members.

Members using the union legal service keep 100% of their compensation for personal injury claims in the UK - whatever the injury, however complex the claim.

Your comprehensive legal package as an RMT member covers the following:

- Personal injury, including serious brain and spinal injuries, sustained in this country and overseas*
- Clinical negligence*
- Industrial diseases, including asbestos-related diseases
- Online wills service*
- Special terms for conveyancing, probate and powers of attorney.

* Indicates benefits also available to your family members

Most cases can be taken on a **no win, no fee** basis. Speak to our team today for a free consultation on your claim and its funding.

These RMT legal services are provided by Thompsons Solicitors.

Thompsons Solicitors is the UK's leading social justice law firm, proudly representing RMT members and their families who have suffered injury or mistreatment.

For over a century, Thompsons has worked with the trade union movement, acting only for working people and never for employers or insurers.

Thompsons' specialist legal teams use the law to protect and further workers' rights and campaign for safer workplaces.

Unlike with other law firms, your membership ensures you and your family receive 100% compensation for personal injury claims. You also receive preferential rates for cases involving clinical negligence.

Legal services for RMT members also extend to personal matters such as wills and conveyancing.
